To continue our commitment to providing our signatory contractors with the best resources available, the KY Laborers District Council Office in conjunction with its affiliated Local Unions and Benefit Funds has developed this Contractor Directory to assist you with Important contact information. For your convenience, this directory is categorized by contractor specialty as well as appropriate Local Union designation. I hope you will find this Contractor Directory to be a useful and informative resource.

By partnering with our signatory contractors, we at LIUNA look forward to working together to increase market share within the Commonwealth of Kentucky which will ultimately create greater work opportunities for our members.

When You Win, We All Win

MEPC provides LIUNA signatory contractors with a custom project lead and alert system that is second to none.

Lead, Never Follow

Customized project alerts allow signatory contractors to stay ahead of the competition with the most powerful project lead and alert system available.

Time is Money

With readily available project information, contractors no longer need to request and wait for valuable project information.

The MEPC Advantage

Choose daily or weekly lead notifications, and filter leads through an extensive index of construction data.

What is MEPC?

- A powerful project lead service that brings signatory contractors closer to the jobs you desire.
- Tailored project leads sent directly by email and filtered through a robust index of construction data.
- User-friendly, intuitive web-based program with up-to-date and actionable information.

Contractor Benefits?

- Customized Project Leads
- Comprehensive Project Monitoring
- Increased Market Opportunities
- Hyperlinked Bid Calendar
- Maximize Project Research and Business Development Efforts
